

Building on Excellence

THE CAMPAIGN FOR BRATTLEBORO MEMORIAL HOSPITAL

HELP US BUILD A BUILDING!

BMH Capital Campaign Reaches Out to the Community

Brattleboro Memorial Hospital's ***Building on Excellence*** Capital Campaign is nearing its goal. To date we have raised just over \$2.3 million. Now we need your help to get all the way there!

Starting next week...your friends and neighbors will be pictured, sharing why they gave to the hospital building fund and how this new addition will benefit the community. Reasons like...

We feel it's essential for the growth of our community...

...it's assuring to know that excellent facilities and services are available...

...giving to the hospital is kind of an insurance policy...it's there when you need it.

By supporting BMH, we've invested in the future of health care in the community.

We have used the hospital all our lives...space is desperately needed to continue serving patients adequately. With everyone's help, this can happen!

As we reported last month, hospital employees have been very generous...they know the need all too well. Their total has topped \$150,000.

**PLEASE HELP MAKE A DIFFERENCE...HELP US GET TO OUR GOAL...

Update on the New Outpatient Building Construction

Site work on the new Outpatient Building is progressing on schedule and on budget. The foundation is being poured so you can see it taking shape from the back of the BMH campus.
