

Building on Excellence

THE CAMPAIGN FOR BRATTLEBORO MEMORIAL HOSPITAL

BMH physicians help us build our building!

More than 90% of the active BMH Medical Staff including many retired physicians and members of the courtesy staff have donated more than \$150,000 to the capital campaign.

(This is in addition to the more than \$150,000 raised by BMH employees.)

The two physicians committee co-chairs, Drs. Richard Burtis and Paul Righi want to thank both their subcommittee members and fellow physicians who have contributed generously to ***“Building on Excellence”***.

Members of the community can help, too!

You can donate to **The Richards Merry Bradley Memorial Challenge** which will match *first-time donors* to BMH, dollar for dollar, up to \$10,000! As an early trustee of the Thompson Trust – original benefactor of BMH – Mr. Bradley is being honored by an anonymous local resident in the form of this matching challenge gift. Your gift or pledge (which must be received on or before 12/31/07 to qualify) is an effective way to double your gift to help BMH build its new building. A form is available on-line at www.bmhvt.org, or by calling the Development Office at 802-257-8314.
